ADMINISTRATION REPORT—*cont.*	1895.
Collectors requested to submit statement of extent of cultivable waste lands proposed for reservation (paragraph 2). Submitted to Government that there is no indication of any falling off in the work done by Special Forest Settlement-officers (paragraph 3). Observation made on Mr. J. T. Lever's unsatisfactory settlement work (paragraph 4). Stated that it is under contemplation to depute one of the Special Forest Settlement-officers to Gánjám and Vizagapatam and to re-arrange the remaining work amongst the other officers. Collector of Ganjám requested to submit explanation of the Senior Assistant Collector as to poor progress made by him in forest settlement work. Other Collectors requested to report what steps, if any, can be taken to hasten on forest settlement operations where the work is still in arrears (paragraph 5). Conservator to furnish full explanation in future reports of differences in the cost of demarcation (paragraph 6). Attention of Collectors drawn to the order requiring District officers to certify to the general accuracy of the boundary marks before survey of a reserve is started (paragraph 7). Collector of South Canara requested to furnish information regarding increase in number of forest offences in his district (paragraph 8). Collector of Bellary requested to submit, through the Conservator, a special report on the subject of fire protection in the Sandur forests and the absence of co-operation on the part of the Sandur estate (paragraph 9). Collector of Tinnevelly requested to submit a special report on the system of regulating grazing adopted in the district (paragraph 10).—— Southern Circle Conservator's attention drawn to remark of Government regarding discontinuance of practice of allowing free grazing to Toda buffaloes. Report regarding allotment of free grazing to "privileged cattle," submitted to Government with Board's Proceedings, No. 66, dated 4th February 1895 (paragraph 11). Scheme for development of forest roads returned to Conservator for being recast in the form prescribed by the Board (paragraph 12).
